

THE AMERICAN
LAW INSTITUTE

2027 ANNUAL MEETING

MAY 16-19, 2027 | HOUSTON, TX

ALI Annual Meeting Special Event Sponsorship Package

Each year, The American Law Institute brings its members together at an Annual Meeting to discuss and vote on the Institute's Restatements of the Law, Principles of the Law, and Model and Uniform Codes. The membership body of the ALI is made up of state and federal judges, general counsels of Fortune 500 companies, law firm, public interest, and government lawyers, as well as academics, each dedicated to the ALI's rule of law mission.

For the 2027 Annual Meeting, the ALI invites sponsors to support the social and networking activities at the Annual Meeting, including the New Member Welcome Dinner on Sunday and the Tuesday evening Annual Dinner. The Annual Meeting and social events offer ALI members and sponsors a chance to network and connect outside of the working sessions at the Meeting.

Through sponsorship, you will align your firm's brand with excellence, innovation, and leadership in the legal field and demonstrate your commitment to advancing the law. Sponsorship at any level provides invaluable opportunities for networking as well as brand exposure to a diverse audience of legal professionals through signage, digital promotions, and event materials.

For more information on ALI event sponsorship opportunities contact Benjamin J. Ginsberg at bginsberg@ali.org or 215-243-1660.
